CIRCULAR TO MEMBERS

23 June 2020

Dear ASMI members

Please see below the message from the Ministry of Trade and Industry (MTI) on the key requirements for safe management measures at workplaces.

Best Regards
ASMI Secretariat

==========

Dear Employers,

More businesses have been able to resume activities at their workplaces since the start of Phase 2 re-opening on 19 June. All businesses are required to put in place mandatory Safe Management Measures (SMM) to provide a COVID-safe environment for workers and consumers.

To reinforce the importance of these measures and allow members to better understand the key requirements, MTI would like to share the following communication collaterals for your easy reference:

- Safe Management Advisories for all workplaces (in English, Mandarin and Malay)
- Materials on Phase 2 published in the main dallies from 18-21 June (in all four languages)
- Infographics on digital solutions for SMM

The materials can be downloaded from this link: https://we.tl/t-jRKbKzSfEK

For more information on Safe Management Measures and sector-specific requirements, please visit: https://covid.gobusiness.gov.sg/safemanagement/general ("Safe Management Requirements"). Please also be reminded that those who are resuming operations in Phase 2 are to submit their on-site manpower numbers on the COVID GoBusiness portal (https://covid.gobusiness.gov.sg) within two weeks of resuming operations.

Thank you.

MINISTRY OF TRADE AND INDUSTRY
