

ASMI 20TH GOLF CHAMPIONSHIP TOURNAMENT

The ASMI 20th Golf Championship Tournament was held on 12 August at the Garden Course in Tanah Merah Country Club. The annual event was a popular avenue for members to engage their business associates over their favourite sport.

The tournament was fully booked with 144 golfers in 36 flights. The

golfers started streaming into the club from 11.30 am to register their attendance.

The atmosphere was enthusiastic and relaxed as the golfers boarded their buggies to proceed for the shotgun tee-off after lunch at the Garden Golfers Terrace. The golfers were organised into two divisions for the 18-hole game.

After a strenuous afternoon of play, the golfers returned to the Clubhouse for dinner at the Garden Banquet Room. They chatted and bantered with one another as they tucked into an eight-course Chinese dinner whilst waiting for the announcements of the results and the prize presentation ceremony.

The annual golf tournament was well-supported and sponsored by 17 ASMI members and business partners. Representatives from the sponsor companies were invited to present prizes to the winners. Prizes were

awarded to the top 40 positions in the two divisions. Novelty prizes given for 'Ball Sweep', 'Nearest to Pin', 'Nearest-to-Line' and 'Longest Drive'.

Mr Richard Lee from Rico won the first prize for Division 'A' whilst Mr Kevin Choong from Jurong Shipyard took the first prize for Division 'B'. The Overall Champion title was clinched by Mr Alfred Tan, a guest from Dundee Marine & Industrial Services. A lucky draw was also held for players who were unplaced.

ASMI OVERSEAS GOLF CHALLENGE 2011

A team of 20 senior management staff from various shipyards, marine companies and ASMI partners got together in September for the ASMI Overseas Golf Challenge 2011. Held in Phuket, Thailand, from 10 to 12 September, the event provided an excellent opportunity for these senior officials to interact with one another.

Interaction began soon after SilkAir MI 752 took off from Changi International Airport and continued right through the three days in Phuket.

In all, two rounds of 18-hole golf game were played on the tranquil greens of the Blue Canyon Resort Golf Club and Red Mountain Golf Club. The golfers were rotated to golf with different players each day to maximise the networking opportunities for one another. The lunch and two dinner

functions organised for the group also facilitated more networking.

Prize presentation cum dinner for the golf challenge was held at Les Annes Patisserie located at the Royal Phuket Marina in Phuket. Prizes were awarded to all the golfers as well as to winners for the 'Nearest to Pin'.

Mr Johnny Soon, Managing Director of Heatec Jietong emerged as Overall Champion after the two days of golf. Mr Leslie Lim, General Manager of Marshall Cavendish Business Information and Mr David Ong, Managing Director of Excel Marco Singapore were placed in the 1st Runner Up and 2nd Runner Up positions respectively.

The overseas golf event is the second such event that ASMI had organised

to date for the industry's senior management to meet and 'talk shop'. The first such event was held a decade ago, in 2002 in Chiangmai, Thailand.
