

MARITIME OPEN HOUSE

The MaritimeONE Partners jointly organised the Maritime Open House event for secondary schools. Held on 18 October, the Maritime Open House is one of MaritimeONE's outreach initiatives to promote and attract local youths into the maritime industry. The MaritimeONE Partners comprised Maritime and Port Authority of Singapore (MPA), Singapore Maritime Foundation, Singapore Shipping Association and ASMI.

The Maritime Open House was aimed at raising students' awareness in the maritime industry and to interest them to embark on a maritime education and career. A total of 1,150 students from seven secondary schools participated in this inaugural event held at the Kallang Theatre.

The inaugural Maritime Open House was attended by some 1,150 students from seven secondary schools.

ASMI shipyard members supported the Maritime Open House by hosting the students' visit at their facilities.

The event kicked off with an opening address by Mr Lam Yi Young, Chief Executive of MPA. He spoke on "The Sea and All Things Maritime". This was followed by a series of presentations including an overview of the maritime industry, seafaring and shore-based professions as well as opportunities in the marine and offshore sector.

Institutes of Higher Learning (IHLs) also set up booths at the foyer to introduce their maritime education courses to the students and teachers at the event. These IHLs included Singapore Maritime Academy, Ngee Ann Polytechnic, Institute of Technical Education and Singapore Institute of Technology.

After lunch, the students embarked on educational tours to various key maritime places. These places included the Port Operations Control Centre, PSA Pasir Panjang Terminal, Singapore Maritime Gallery, Integrated Stimulation Centre, shipyards and sea tour. These site visits served to enhance the students' appreciation of the maritime industry and its diversity.

Seven ASMI shipyard members supported the Maritime Open House by opening their facilities to receive the students. All 1,150 students had the opportunity to visit and tour a shipyard to understand its business, operations and career opportunities. The shipyards were DDW-PaxOcean Shipyard, Jurong Shipyard, Jurong SML, Keppel FELS, Keppel Shipyard, Sembawang Shipyard and Singapore Technologies Marine. The shipyard visits were an eye-opening experience for the students and their teachers.

ASMI WELCOMES NEW MEMBERS

ASMI welcomes on board the following new Ordinary Members:

ORDINARY MEMBERS	
 APPLIED ENGINEERING APPLIED ENGINEERING PTE LTD 46 Tuas Road Singapore 638499 Tel: 6862 1726 Fax: 6862 3486 Email: inquiry@aepi.com.sg Website: www.appliedengineering.com.sg Contact Person: Dr Wong Kar King Nature of Business: Engineering and fabrication company specialising in design and fabrication of process equipment such as pressure vessels, storage tanks and heat exchangers for chemical, petrochemical, petroleum and energy-related industries.	 MTQ ENGINEERING PTE LTD 182 Pandan Loop Singapore 128373 Tel: 6774 9696 Fax: 6779 4092 Email: vincenttan@mtq.com.sg Website: www.mtq.com.sg Contact Person: Mr Vincent Tan Nature of Business: Engineering solution provider for oilfield equipment and drilling contractor companies around the world.

ASMI MEMBERS WIN CIRCLE OF EXCELLENCE AWARD 2012/2013

17 ASMI members received the Circle of Excellence in Offshore & Marine Industry Award 2012/2013. This category of Award is the first edition and a special highlight of The Circle of Excellence 2012/2013 presented by Asia Business Journal in August this year.

The Circle of Excellence Award aims to spur greater innovation, fair practices and growth in entrepreneurship. To qualify for the award, the recipient must have substantial operations in Singapore, sound financial performance over the past years of incorporation including a minimum revenue of at least USD 1 million for the last two financial years. It must also have an exemplary track record in the industry's relevant safety measures.

The award recipients come under the categories of ship building and construction, ship repair and maintenance, and marine equipments and suppliers. There are two categories of awards - Prominent Recipient Award and Standard Recipient Award.

The 17 ASMI members which won the Awards are as follows:

Prominent Recipient Award

- Beng Kuang Marine Limited
- Industmarine Engineers Pte Ltd
- Offshore Construction Services Pte Ltd

Standard Recipient Award

- Candid Marine Engineering Pte Ltd
- CESCO Environmental Technologies Pte Ltd
- Glenn Shiprepair Services Pte Ltd
- KTL Offshore Pte Ltd
- LAL Offshore Marine Pte Ltd
- Mantech Engineering Pte Ltd
- Marine Line Technology Pte Ltd
- Mectrade Engineering Pte Ltd
- Pan-Growth Engineering Pte Ltd
- San Hup Seng Engineering Pte Ltd
- Seaquest Enterprise Pte Ltd
- Seiho Machinery Electric Co. Pte Ltd
- Stone Marine Singapore Pte Ltd
- Tech Offshore Marine (S) Pte Ltd
