CIRCULAR TO MEMBERS

9 August 2020

Dear Members,

WEBINAR ON TRANSITIONARY MEDICAL SUPPORT FOR MIGRANT WORKERS

1. In line with the clearing of migrant workers' dormitories, the Ministry of Manpower (MOM) and Ministry of Health (MOH) have adopted a range of transitional medical support measures, to partner with employers in providing the necessary healthcare for your workers. These measures will help detect and manage health-related risks, and ensure that all workers can return to work safely and quickly.
2. Partnering with MOM and MOH, ASMI will be organising a webinar for our members on the temporary medical support available for our migrant workers. We are pleased to share that the presenter for the session is Dr Lam Meng Chon, the Director of Medical at MOM.
3. Our speaker will be presenting important information about how companies can be aware of the support available, respond responsibly to workers' health issues, and achieve a safe transition for all employees. This webinar also provides an opportunity for employers to clarify any concerns that you may have about your workers' health.
4. The one hour event will be held on 12 August 2020, from 3pm to 4pm (Singapore Time). You must register at this link to get confirmation email with the necessary details:
https://bit.ly/asmiwebinar20200812_FWMedicalSupport
5. Because available slots for the webinar limited, it will be on a first come first serve basis, with priority for ASMI members. Hence, we urge interested companies to register early to avoid disappointment.
6. We look forward to your kind participation at this upcoming webinar.

Thank you.

Best Regards,
ASMI Secretariat
